Amendment # LMA202106

I/We as owner(s) of property at this address: _____ wish the information below to be considered by the Local Planning Agency and the City/County Commissions:

SIGNED: _____

WW Kelley Road LMA202106

Applicant: Teramore Development

Jurisdiction: Leon County

Small Scale Map Amendment: This is a request to change the Future Land Use Map (FLUM) designation from Rural (R) to Suburban (SUB) on two parcels totaling 1.6 acres inside of the Urban Services Area. The parcels are located off Apalachee Parkway on WW Kelley Road. The applicant is seeking the land use change to allow for the development of a neighborhood retail store.

The current Rural category is intended to maintain and promote agriculture, silviculture, and natural resource-based activities, to preserve natural systems and ecosystem functions, and to protect the scenic vistas and pastoral development patterns that typify Leon County’s rural areas. Single family residential uses are allowed in the Rural category at a maximum density of one (1) dwelling unit per ten (10) acres. Non-residential uses functionally related to and directly in support of agricultural silvicultural, and other natural resource-based activities may be permitted in the Rural category at a maximum intensity of 2,000 sq. ft. per acre. The proposed Suburban category allows a mixture of office, commercial uses and residential densities up to 20 units per acre. The intent of the Suburban land use category is to create an environment for economic investment or reinvestment through the mutually advantageous placement of employment and shopping opportunities with convenient access to low to medium density residential land uses.

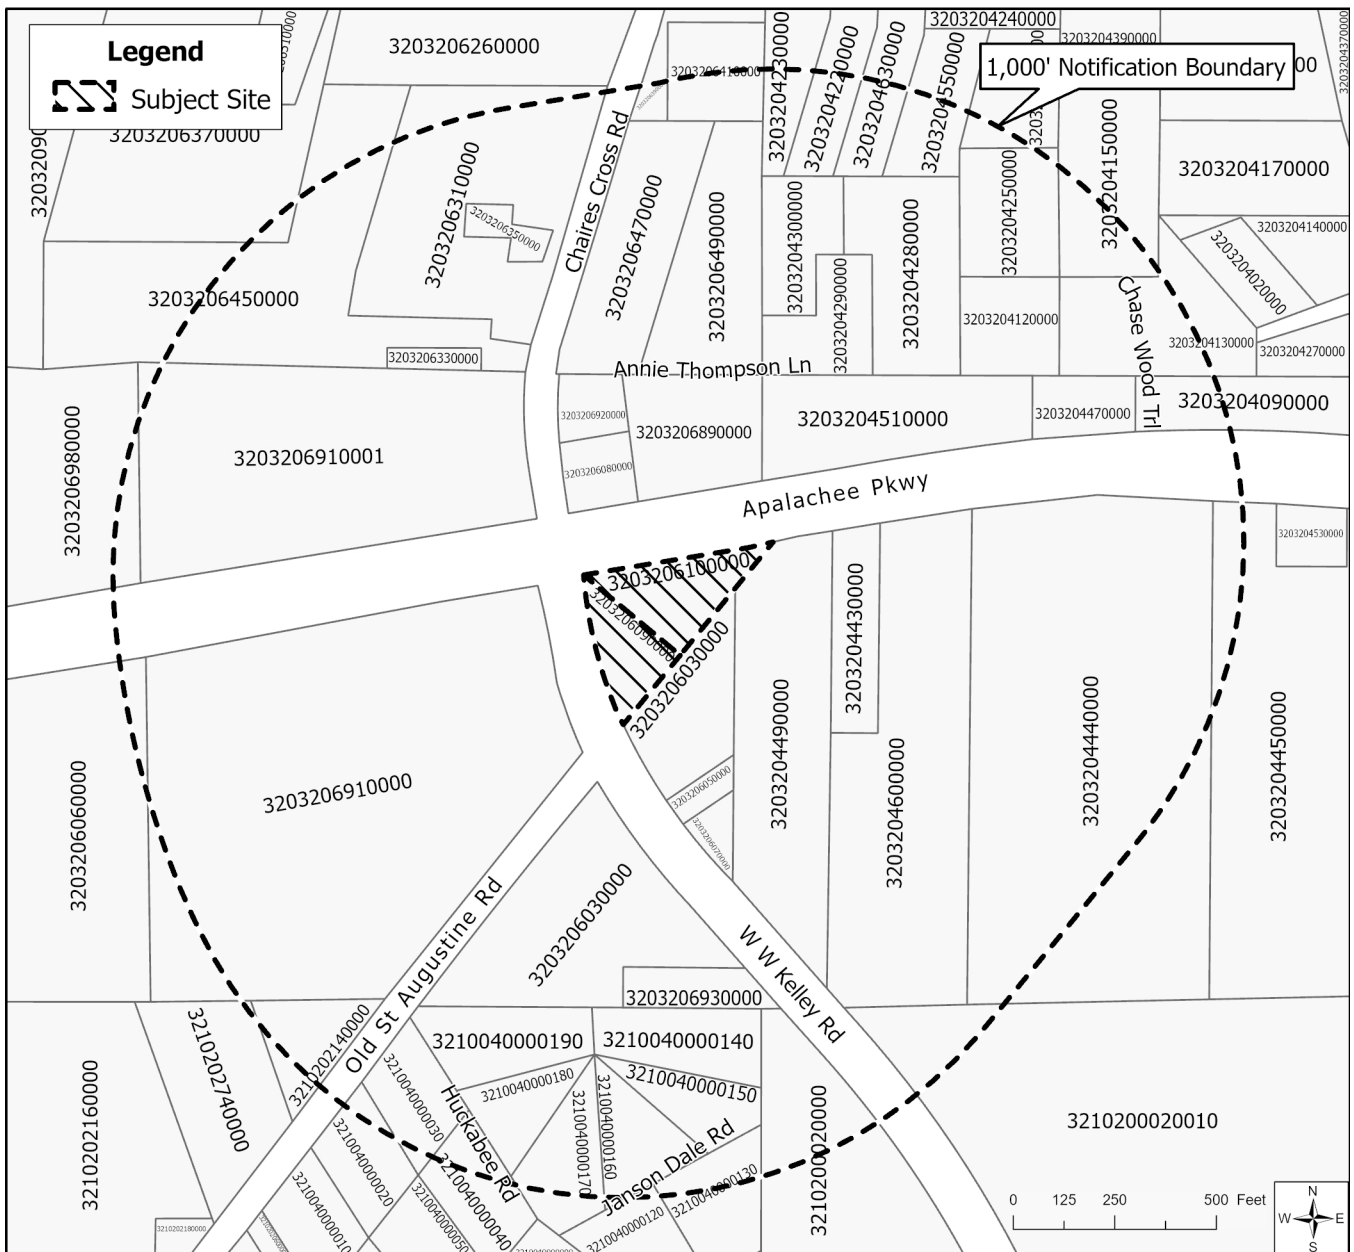

Rezoning Application: A rezoning application will be processed concurrently with this amendment. A zoning change from Rural (R) to General Commercial (C-2) is being requested to implement the proposed amendment to the Future Land Use Map.
