

Notice of the FY25 & FY26 CHSP Funding Opportunity and Mandatory Application Workshop

The City of Tallahassee and Leon County invite all interested non-profit human service organizations to participate in the FY25 & FY26 funding cycle of the Community Human Service Partnership (CHSP) grant process. To apply for funding, the organization must provide direct human services to residents of the Tallahassee/Leon County area.

Each year, Leon County and the City of Tallahassee provide funding to non-profit human services organizations to provide safety net services to vulnerable citizens.

The primary mechanism for supporting human services is through the Community Human Service Partnership (CHSP), which provides investment in a broad range of human service programs implemented by local nonprofits. The City and County fund human services programs with general funds, supplemented by federal and state grants such as the Community Development Block Grant (CDBG) from the U.S. Department of Housing and Urban Development (HUD), and Change for Change (CFC), a City-utility customer donation program.

All agencies that intend to apply for the FY25 & FY26 funding cycle must attend ONE of the mandatory workshops listed below. Deadline to register is March 19, 2024, at <https://www.chspportal.org>.

All workshops will be held at the Leon County Office of Human Services and Community Partnerships, 615 Paul Russell Road, Tallahassee, FL 32301
